

KOHLHOFF **LOOP® Connectors** are lightweight shackles made of a standard Gottifredi Maffioli, Compact Braid loop reinforced by a hard anodized aluminium thimble that provides an exceptional strength-to-weight ratio. This high tech Compact Braid is very strong, light, and waterproof with outstanding abrasion resistance and very low stretch. KOHLHOFF **LOOP® Connectors** can be spliced into outhauls, sheets or halyards to replace standard shackles.

LOOP® Connector 8 open version
L5-120-3 w/Velcro

LOOP® Connector instead of a normal
Shackle - lighter and stronger

The LOOP® Connector on for an outhaul
system
