

Technical drawing of the FOIL BMG 60, showing a cross-section of a circular component. The drawing includes the following dimensions and features:

- Overall diameter: 60
- Overall height: 50
- Inner diameter: $\varnothing 30$
- Radius of the outer edge: $R=4$
- Height of the central feature: 12

FOIL BMG 60

A technical drawing of a vertical rod assembly. The assembly consists of a handle at the top, a long central shaft with a central hole, and a base plate with four legs. The handle has a circular top with a central hole and a small knob. The shaft has a series of small holes along its length. The base plate is circular with four legs and a central hole. The drawing is a line drawing with no shading.
